EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Edwin Baranowski on January 29, 2004.

The application has been amended as follows:

A/ claims 2, 9-10, 16, 19, 21-22, 27-28, and 30-31 have been canceled; B/ claim 29, line 3, insert --grams-- between "0.1" and "per 10 minutes".

Allowable Subject Matter

- 2. Claims 14-15, 17, 20, 24-26, 29, and 32 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: no prior art has been found to teach or fairly suggest a melt blend having HMW HDPE having MI values of about 0.01 to about 0.1 grams/10 minutes; in combination with all of the other limitations of claim 29.

Cheruvu et al. (US Pat. 6,194,520) is cited of interest. Cheruvu teaches a melt blend of a HMW HDPE and a LMW HDPE; wherein the HMW HDPE has a density of about 0.930 to 0.945 g/cc, overlapping the instantly claimed density range (see col. 4, ln. 22). However, the reference teaches the HMW HDPE having a value for MI to be above 0.2 g/10 min. (see col. 4, ln. 22-23), which is outside the instantly claimed range.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thao T. Tran whose telephone number is 571-272-1080. The examiner can normally be reached on Monday-Friday, from 8:30 a.m. - 5:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on 571-272-1078. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703-308-0661.
